

## **Application form for coffee talks in the PERIPHERIE 8**

**PERIPHERIE 8 offers accommodation for short projects outside of the annual programme.**

**The coffee talks: This portmanteau of "coffee meeting" and "work talk" offers artists a platform to install works in progress or recently completed works in an uncomplicated way and make them accessible to a self-selected audience for a few days.**

**These exhibitions are self-organised, self-financed and independent.**

**We provide the space free of charge. However, we do not offer any further financial support.**

**The consumption of our coffee goes into the Kaffikässeli (CHF 1 per coffee) and donations from visitors are welcome :-)**
