

May 2023

Dear artists, dear collectives, dear curators

Call for applications for the annual programme 2024

The PERIPHERIE 8 team is made up of several people from the cultural sector. The main founder, Thea Geneva, is concerned with promoting, communicating, investigating, moving and networking contemporary art.

Experimental, poetic, performative

The programme of the PERIPHERIE 8 exhibition space ranges between regional and international art and is made up of projects from the annual Open Call as well as initiatives. We organise 3-5 exhibitions per year.

The exhibition space PERIPHERIE 8 is looking for projects that deal with the motto of PERIPHERIE 8: experimental, poetic, performative. The focus is on different media, whereby PERIPHERIE 8 has set itself the goal of promoting video art, the play with words and performance in particular.

The premises and equipment of PERIPHERIE 8 offer:

- Possibilities of 2 projections (video art) 2 beamers are available.
- A large wall for pictures
- Experimental spatial perceptions

Ideas are needed for the special small spaces of PERIPHERIE 8

The PERIPHERIE 8 association offers the selected projects the financing of the space and professional documentation by means of photography of their projects. The financing and publicity of the project will be discussed together.

Insurance is the responsibility of the participants.

PERIPHERIE 8 supports the realisation of their projects on a voluntary basis and we try to apply for funding together.

The following must be submitted:

- Project description: brief summary of the idea.
- Detailed project sketch by means of the floor plans only in the case of space-filling projects.
- Visual material, e.g. portfolio and pictures that will be exhibited.
- Brief biographical information.
- A summary of costs. (Budget of material expenses, travel costs/transportation and fee)
- Statements about the wish for a solo or group exhibition. (Both possible)
- Preferred period 2024 (Excluding Basel school holidays <https://www.ed.bs.ch/schulferien/2023-24.html> <https://www.ed.bs.ch/schulferien/2024-25.html>)

In case of many submitted dossiers, we additionally plan the annual program 2025 (Please also indicate the preferred period there, thank you :))

Deadlines:

- Dossiers must be submitted by **Friday 30 June 2023**.
- Decisions will be communicated at the end of July/beginning of August 2023.

Please send input dossiers as a single PDF document to contact@peripherie8.com

This link is for the dimensioned floor plan:
